The dividend will be paid to shareholders registered in the company's register of shareholders held by Euroclear Finland Ltd on the record date of the dividend payment, 25 April 2017. No dividend shall be paid on treasury shares held by the company on the record date. The Board of Directors will propose a dividend payment date of 10 May 2017. There have been no substantial changes in the company's financial position after the end of the accounting period. The company's liquidity is good and, according to the Board of Directors' understanding, the proposed distribution of profit does not endanger liquidity.

9. Resolution on the discharge of the members of the Board of Directors and the Managing Director from liability

10. Resolution on the remuneration of the members of the Board of Directors

Shareholders who jointly represent more than 70 percent of voting rights in the company have notified the company that they will propose to the Annual General Meeting that remuneration of the Board of Directors shall remain unchanged. It will be proposed that the Chairman of the Board shall receive 5,000 euro per month, the Vice Chairman 2,500 euro per month, and other members of the Board 2,000 euro per month. In addition to this, it will be proposed that the Chairman shall receive an attendance allowance of 950 euro per meeting, and other members shall receive 650 euro per meeting. It will be proposed that travel expenses be reimbursed in accordance with the company's travel regulations.

11. Resolution on the number of members of the Board of Directors

12. Election of members of the Board of Directors

Shareholders who jointly represent more than 70 percent of voting rights in the company have notified the company that they will propose to the Annual General Meeting that the following members of the Board of Directors be re-elected for a period ending at the next Annual General Meeting: Autere Jaakko, Hortling Nora, Lager Esa, Markula Elisa and Sirviö Heikki, and that Hakkarainen Pentti be elected as a new member of the Board. All of the candidates have given their consent to the election.

13. Resolution on the remuneration of the auditor

The Board of Directors proposes that the auditor's fee and expenses shall be paid in accordance with a reasonable invoice approved by the company.

14. Election of auditor

The Board of Directors proposes that PricewaterhouseCoopers Oy, Authorised Public Accounting Firm, be elected the company's auditor, with Juha Toppinen, APA, as auditor in charge until the next Annual General Meeting.

15. Authorising the Board of Directors to decide on the acquisition of treasury shares

The Board of Directors proposes that the Annual General Meeting would revoke all existing unused authorisations to acquire treasury shares and authorise the Board of Directors to decide on the acquisition of a maximum of 500,000 of the company's own Series A shares in one or more lots using the company's unrestricted equity on the following terms and conditions:

The shares shall be acquired in public trading arranged by NASDAQ OMX Helsinki Ltd, due to which the acquisition

shall constitute a deviation from the pro rata principle among shareholders, and the compensation payable for the shares shall be the market price of the Olvi A share at the time of acquisition. The shares shall be acquired for the purpose of financing or executing any upcoming corporate acquisitions or other arrangements, implementing the company's incentive schemes or for other purposes decided upon by the Board of Directors. The maximum number of shares to be acquired represents approximately 2.4 percent of all shares in the company and approximately 0.5 percent of all votes, which means that the acquisition would not have any significant effect on the distribution of shareholdings and voting rights in the company.

The Board of Directors shall decide upon other matters related to the acquisition of treasury shares.

It is proposed that the authorisation to acquire treasury shares shall be valid until the closing of the Annual General Meeting 2018, however no longer than 18 months from the General Meeting's decision of authorisation.

16. Authorising the Board of Directors to decide on a share issue

The Board of Directors proposes that the Annual General Meeting would revoke any existing authorisations concerning share issues and authorise the Board of Directors to decide on the issue of a maximum of 1,000,000 new Series A shares and the transfer of a maximum of 500,000 Series A shares held by the company as treasury shares ("Issue authorisation").

The new shares can be issued and the treasury shares transferred in one or more lots either against payment or free of charge. The new shares can be issued and the treasury shares transferred to the company's shareholders on a pro rata basis in relation to their existing holdings, or a private placing can be executed in deviation from shareholders' pre-emptive rights if a weighty economic reason for this exists from the company's viewpoint, such as financing or execution of corporate acquisitions or arrangements, development of the company's equity structure, improvement of share liquidity or implementation of the company's incentive schemes. A private placing can be free of charge only if a particularly weighty economic reason for this exists from the company's viewpoint, taking into consideration the interests of all shareholders. The Board of Directors shall decide upon other matters related to share issues.

It is proposed that the issue authorisation shall be valid until the closing of the Annual General Meeting 2018, however no longer than 18 months from the General Meeting's decision of issue authorisation.

17. Decision concerning the forfeiture of shares in the joint book-entry account, also known as abandoned or "ghost" shares, and the rights carried by those shares

When Olvi plc's shares were incorporated into the book-entry system between 11 October and 5 November 1993, shareholders had to present their share certificates and request for their holdings to be registered in their book-entry accounts within the registration period specified in the decision made at the General Meeting of Shareholders concerning migration to the book-entry system. This refers to the date of declaration, 4 November 1993, referred to in Chapter 3 a, Section 2 of the old Finnish Companies Act (734/1978).

In accordance with Chapter 3 a, Section 3 of the old Finnish Companies Act (734/1978), the Central Securities Depository established a joint book-entry account in the name of the company to cater for those shareholders who did not present their share certificates and request for their holdings to be registered by the date of declaration referred to in the above. According to Section 8(2) of the current Act implementing the Limited Liability Companies Act (21.7.2006/625), the General Meeting of Shareholders may, following the procedure prescribed in Chapter 4, Section 10(2) of the current Limited Liability Companies Act (21.7.2006/624), decide that the right to a share incorporated in the book-entry system and the rights that the share carries have been forfeited once ten years have passed since the date of declaration and the date on which the current Limited Liability Companies Act entered into force. After such a decision, the forfeited shares shall be legally treated as treasury shares. The currently valid Limited Liability Companies Act entered into force on 1 September 2006.

The Board of Directors proposes to the Annual General Meeting of Olvi plc that the AGM shall decide, by virtue to Chapter 4, Section 10(2) of the Limited Liability Companies Act, that the rights to shares incorporated in the book-entry system and the rights that the shares carry have been forfeited as prescribed in Chapter 4, Section 10(2) of the Limited Liability Companies Act, and that the AGM shall authorise the Board of Directors to take all measures called for by the decision.

18. Closing of the meeting
